

Faith and Forgiveness

Philemon 6

Paul prayed that Philemon's "participation in the _____" would work in the test case involving Onesimus.

Knowing how to apply _____ to the matter at hand comes from experiential knowledge.

The "good thing" Philemon knew to do was to _____ an erring and repentant brother who sinned before his salvation.

Until we settle the issue of our _____ once and for all two things will always be true.

One, we will never have much _____ when we pray to our heavenly father.

Two, we will put _____ on the same scale we put ourselves on.

The Old Testament Levitical laws delineated how an individual became a beneficiary of God's _____ (Lev. 1:4).

The equivalent for the New Testament Christian is _____. Perhaps a better word is _____.

There is always more _____ than there is sin (Rom. 5:20-21).

Confusion or lack of assurance in this area logically leads to confusion and doubts about _____ as well.

If we take these two unbiblical uses of the term "_____" and apply them to a discussion of _____, we can understand how an individual can expressed belief in something and yet have no personal assurance.

In discussing the meaning of biblical faith, the term "_____" should be substituted whenever faith or believe is being used in connection with forgiveness or salvation in general.

Biblical faith, the type of faith that serves as a door to forgiveness, assumes a _____ of actual dependence and reliance.

The _____ of biblical faith, as regards to forgiveness, is always the person or the words of Jesus.

Although the offer of _____ is universal it has no effect on the sin debt of a man or a woman who has not personally put trust in Jesus Christ.

God had _____ Philemon, now Philemon had the opportunity to forgive Onesimus.
